

# TVU Replay

## Advantages

- △ Easy to operate with one simple control interface
- △ Affordable - no need for a trailer full of hardware or extensive technical support
- △ Instant ingest and render of review feeds from any source
- △ Manage one or multiple cameras from a single interface
- △ Use swipe and pinch controls on a tablet or wireless game controller
- △ Generate instant clips for output to any device

## Make Every Call the Correct Call.

Fast, easy and instant cloud-based video replay and review for all sports.
